Open Heaven LIVE

This. Changes. Everything.

OPEN HEAVEN: an explosive night of unified worship with bold expectations. On this night, Heaven touches Earth: the healing power of God will be unleashed, hope will be restored, chains of bondage will be shattered, and the Name of Jesus will rage as a wildfire in the hearts of all who attend. God is on the move, and OPEN HEAVEN is a Grand Entrance.

Is it possible that on this night, barriers could be shattered, division could be unified, and ALL Christ believing churches could become ONE BODY. Unified with a vision for our King to REVIVE His people, and RESTORE this region? Dare to resist what is thought possible in worship and in faith, and the answer is YES.

There is only one message at the heart of OPEN HEAVEN: the redemptive Power of Jesus Christ. Denominational and doctrinal religion which has divided Believers for far too long will end on this night with the ONE powerful name which unifies us all: Jesus.

"There is ONE body and ONE Spirit, just as you were called in ONE hope of your calling; ONE Lord, ONE faith, ONE baptism; ONE God and Father of us all, who is above all, and through all, and in you all."

- Ephesians 4:4-6

- Get Involved -

-

Open Heaven LIVE unifies the body of Christ, allowing His Authority, His Healing, and His Power to change us all from the inside out for the world to see. This means any and every church, business, or corporation who wants to be involved can be. By use each organization's gifts to serve together, we are building His Kingdom through our unity on benchmark night. Below are several ways to get involved!

Open Heaven Partnership: Becoming an Open Heaven Partner means you believe wholeheartedly in the vision of Open Heaven LIVE. Your organization is committing to working with the Open Heaven Outreach and Marketing teams to reach and involve other churches and businesses in this historic event. We ask our Partners to be so passionate about this vision of unity that you, your community, friends, and families not only volunteer to help market this vision but also help as volunteers for the event itself while reaching out to inspire others to partner as well. Benefits of Partnering with Open Heaven Live are: your organization will be listed on the PARTNERS page of the www.openheavenlive.com webpage, Facebook, instagram, ect. and a listing of your organization, along with its description, will be printed in the handout booklet given out on the night of OPEN HEAVEN LIVE.

Open Heaven Sponsorship: As an Open Heaven Sponsor, you have the opportunity to support this experience through a monetary donation, helping to meet the financial needs of make this, and future Open Heaven LIVE events happen. To make the vision of Open Heaven LIVE the reality it has become, \$41,000 is being raised to cover all costs of production rentals, marketing, and operating expenses. The complete list of benefits and sponsorship levels are listed on the Sponsor Letter on the back of this packet. To name just a few benefits:

- Your organization will be featured on the large screens before and after the Open Heaven night, showing attendees your support.
- Your organization could be listed as a sponsor on the back of the T-Shirts, which every single person in attendance will receive with their ticket (3,500 people)
- Your organization will be listed as a sponsor on all marketing materials leading up to the event.

Open Heaven Volunteers: The greatest challenge in making the vision of Open Heaven a reality is the need for like-minded and hearted volunteers. These volunteers are crucial in EVERY SINGLE aspect. From now until the night of the experience, there are many areas where help is needed. The below volunteer opportunities are outlined as the Preparation Phase Volunteers and the OH (Open Heaven) Day Volunteers. There is no limit to how or where you can help. We simply ask that you earnestly pray about your involvement so we can get you placed into the team of best fit for you.

Preparation Phase Volunteer

Marketing Team - This team has a knack for connecting with businesses and churches around the local region. These team members can tastefully and tactfully share the vision of Open Heaven to gain involvement and support and will specifically focus on getting the word out about Open Heaven. Marketing doesn't finish until the day of Open

Heaven, so we ask these people be committed, ready to hit the ground sprinting to change this region forever!

Outreach Team - These team members are the hands and feet of Open Heaven. They are the people hitting the streets, going door to door and window to window placing posters, handing out flyers, getting the word out to people and businesses in Enid and the surrounding area. This team must be EXTREMELY well orchestrated and organized. Within this team will also be Outreach Captains in each surrounding town who will also have outreach teams underneath them. This team MUST have a passion for the heart of Open Heaven and understand it completely before going out and sharing the vision to all they encounter

Fundraising Team - The goal for Open Heaven is \$41,020 to cover all costs. To the members of this team it must seem completely feasible. These members' tenacious attitudes and relentless spirits for what God will accomplish through Open Heaven allow them to seek out businesses and corporations who would be willing to become a financial donor or Sponsor of Open Heaven. This team is willing to connect with large businesses, small businesses, individuals and non profits to seek as much support as possible.

Prayer Team - This team of believers is our crucial team. With the blessing and direction of God, all things are possible. The members of this team are committing to host and organize corporate prayer once a week, stirring the faith and expectation for His Presence to change the lives of all who attend. We ask that the members of this team have a passion for seeking the Lord in prayer and are willing to intercede in prayer for all those supporting, volunteering, attending and hosting this historic night.

Open Heaven Day-of-Volunteers

Info Team - These people are knowledgeable about the layout of the arena, ministries available and are problem solvers. If someone has a question, THESE are the people to contact. All needed information will be taught to you as we draw closer to the event night by the Info Team Leader.

Logistics Team - This smaller team requires the logistically minded. These people are assistants to the Stage Director and Production Manager to ensure the night of Open Heaven flows seamlessly. They also need to have a perceptive ability to see and identify any issues that may arise throughout the night and find a solution.

Prayer Team - **This team is the bedrock of Open Heaven.** This team is not for the spiritually faint of heart, but for the Saints who are prepared to pray down heaven and the Power of God into His people and this Region. Every movement of God has begun with the fervent prayer of a few devoted Believers. This team is committing to praying

for the Open Heaven event consistently and intentionally, both privately and corporately. On the night of the event, those who feel able may work with the Response (Alter) team as well.

Merch Team - This team will manage the Open Heaven T-Shirt, apparel and merchandise tables. Anything pertaining to the giveaway t-shirts or information packets, this team will be handling.

Response Team - This team is the group which directly interacts with those who make a decision for Christ for the first time, or are recommit their lives. They need to have a strong spiritual understanding of the Gospel of Jesus. He is the Way, the Truth, the Life, and there is no other way to Heaven except by accepting Him as your Lord and Savior. Open Heaven is NOT about the technicalities of doctrine, theology, or denominations, it is about Jesus, and his life-giving blood that was shed. There is one message that will be shared by this team: Jesus Saves. These members must know how to comfortably walk someone through their first steps of Salvation and then ensure they receive the Response Information Packet which will give them a complete roster of churches to get plugged into.
